

SAFETY, HEALTH & WELLBEING POLICY

Statement

In all activities the Company will ensure a safe workplace is provided and employee health and wellbeing is enhanced.

Our Commitment

To continuously improve our safety, health & wellbeing culture.

Encourage safety leadership through all levels of our business.

Prioritise the control of critical risks.

Provide our people with support and offer opportunities to enhance their health and wellbeing.

Strive to act as champions of good safety, health & wellbeing practice.

Encourage and assist all our stakeholders to work safely.

To achieve our safety, health & wellness vision we encourage open collaboration.

Nigel Gear
Chief Executive Officer

Rex Chapman
Board Chairman
